REFINED WHITE-GLOVE SERVICE

FROM YOUR PERSONAL BUTLER

Relax with the attentive service of our Butlers. Upon arrival, a Butler will escort you to the MSC Yacht Club priority check-in, take care of your luggage and show you to your suite. Would you care for a drink? Need assistance in unpacking? Shoes shined? A favorite newspaper delivered each day? Your Butler is at your service around-the-clock, as you wish. You can even indulge in the timeless British tradition of Afternoon Tea served by Butlers in the Top Sail Lounge. Relax with a fine cup of tea and luscious freshly-made cakes, scones and delicate tea sandwiches as you plan for a day of exploration on shore. If you'd like your Butler to arrange for a cocktail party or make reservations in the critically-acclaimed EATALY specialty restaurants aboard MSC *Divina* and MSC *Preziosa*, just ask. Our gracious Butlers are trained to the standards of the prestigious International Butler Academy in the Netherlands, and are dedicated to ensuring ease and well-being throughout your stay.

DISCOVER

WHAT DELICIOUS DAYS ARE MADE OF

As an MSC Yacht Club guest you can savor an exclusive array of dining choices. Perhaps the day begins with your Butler serving fresh melon, berries and warm croissants on your veranda. In the Top Sail Lounge enjoy all-inclusive gourmet chef's creations, appetizers, salads and desserts—plus a selection of beers, wines, spirits, soft drinks and specialty coffees. These delights, along with Venchi Gelato and grilled items are also available at The One Pool Bar and Grill. You can also order from the MSC Yacht Club menu, served by your Butler in the privacy of your suite. When evening arrives we invite you to dine in L'Etoile on MSC *Fantasia*, L'Olivo on MSC *Splendida*, Le Muse on MSC *Divina* or La Palmeraie on MSC *Preziosa*—all are reserved exclusively for MSC Yacht Club guests morning, noon and night. Here, you may be tempted by flambéed shellfish bisque, champagne risotto and rack of lamb in a pistachio crust. And for dessert, perhaps raspberry *crème brûlée* or heavenly *tiramisù* from our talented European-trained chefs. After live music and theater, indulge in a nightcap, such as a martini or cosmopolitan, with a gourmet midnight snack in the Top Sail Lounge for a delicious ending to your day.
